Laufenn
Journey in Style

When the Blue that represents rational value and the Red that represents emotional value meet, the Violet of Laufenn is born. Laufenn provides smart consumers both practical value and satisfaction.

Laufenn ensures an exceptional driving experience through optimized performance – In any weather or in any season, rain or snow, summer or winter.

Laufenn provides the performance you need over a wide range of conditions – in your everyday life, under any road conditions, on or off-road.

Confident

The ability Laufenn provides is rooted in its uncompromising commitment to quality. When you go to work or head out to meet your friends... When you go on a trip or venture out to a new place... Laufenn is there with you everyday providing optimized performance and confidence.

Simple

Laufenn is Simple – with no add-ons and nothing to spoil your driving experience. Committed to the basics, Laufenn offers a pure driving experience tailored to for your needs.

Open-minded

Laufenn refuses to accept a one-size-fits-all attitude. You know value when you see it and are determined to embrace new choices. Making Laufenn your choice is transforming your own value into a new trend.

Sensible

Laufenn understands your refined taste. You have an extraordinary eye for quality – all at a glance. Your choices are always solid. Laufenn expresses your excellent style and represents your fashionable personality.

X FIT HP

High Performance SUV Tires

Comfort

Handling

Traction

FEATURES

- Improve driving comfort
- Ensure stability and handling
- Effectively prevent external influences such as stone drilling

X FIT HP

Speed Symbol : H, V

S.W. : 205~265

Series : 50~70

Inch : 15~19"

Performance Information

On-Road

Comfort

Noise

On the paved road, X FIT HP
Products provide users with extraordinary comfort

Optimized Stiffness Distribution Design

An optimized five variable pitch stiffness distribution tread block design ensures minimum vibration and noise as well as improved riding comfort.

Standard Tire

X FIT HP

Extraordinary block strength

Extraordinary tread blocks and multi-cut grooves
Designed to ensure exceptional comfort.

100% load (663kg)

120% load (928kg)

* Test conditions (rim: 7.0J, air pressure: 2.0 kg/cm²)

All Season

Versatile use, excellent performance in winter

Handling Wet Traction

Center block

High-strength central pattern strip design, Used to enhance handling and ensure better performance Show's corner grip performance

Wider and flat tread design

Wider and flatter tread design for the wheel through advanced computer-aided simulation technology Tires provide powerful power and improve tire grip performance.

EVEN PRESSURE

4 Circumferential

Grooves

Four wide grooves provide efficient water drainage in wet conditions to help prevent hydroplaning.

Lateral groove

Horizontal groove groove design ensures better traction performance in wet conditions and snowy roads

Safety

Durability

X FIT HP's durability provides the most basic driving experience

X FIT HP

Belt Edge Tape

A folded belt edge tape design is incorporated between the tire's two tread belts to improve handling performance in high speed.

X FIT HP

Standard Tire

Wide Tread

A wide tread design ensures stable driving by maintaining top-of-the-line grip in any season and in any road condition, on or off-road.

X FIT HP

Standard Tire

Stone Ejectors

The stepped groove inside tread block design of the X FIT HP prevents stones from lodging in its tread, protecting the tire from external damage.

X FIT HP

Standard Tire

TIRE STRUCTURE

New technology tailored for SUV & light trucks to enhance the performance and durability of X FIT HP products

* There are differences in tire constructions with different specifications. The specifications for the tire construction in the example are 225/65R17H.
